

INFORMATION TECHNOLOGY DOMAIN SKILLING WAS CLUBBED WITH EMPLOYABILITY SKILL TRAINING FOR STUDENTS OF SEMESTER VI.

A 12 days training programme on “Employability Skill Enhancement” was held our College, under the “Employment and Skill Enhancement Scheme” of J&K Higher Education Department, an initiative of Mr. Talat Pravez Rohella, Commissioner Secretary, Higher Education Department, from 10th to 22nd February, 2020. The purpose of this training programme was to create increased job opportunities for the students of J&K. The Commissioner Secretary with a vision to inculcate competitiveness amongst the students has created a learning environment in the colleges through such programmes which will help transform the youth for their holistic development. He insisted that targeting the youth with such training will result in productive job creation for them in the market. The programme was attended by the teachers and students of the college.

Addressing the gathering, the Principal of the college, Prof. Ranjeet Singh Jamwal said that now-a-days when there is tough competition for jobs, skill development is very significant and the employability opportunities will increase manifold when we train the

students. He thanked the Higher Education department for providing a platform to the students of the college to gain skill in various fields.

The resource person, Mr. Mujahid Landge from Universal Education, Bangalore imparted training to the students perfectly in various skills. He prepared the students to face challenges confidently in their future lives.

The coordinating team of SPMR College were Prof. Parveen Singh and Dr. Sakshi Sharma. Along with Prof. Savita Jamwal, and Prof. Bharti Slathia
