REPORT ON STUDENTS' ACADEMIC & CULTURAL EXCHANGE PROGRAMME
HELD AT GURU NANAK DEV UNIVERSITY, AMRITSAR (25TH -26TH APRIL, 2018)
UNDER EXPOSURE VISIT SCHEME.

This is a report on the interactive session held at GNDU, Amritsar and experiences gained from such discussion. It is our pleasure to present this report.

Twenty students of Govt. SPMR College of Commerce participated in the students' Academic & Cultural Exchange Programme 'Under Exposure Visit' at GNDU, Amritsar.

We left Govt. SPMR College of Commerce, Jammu at 7.30 AM on 25th April, 2018 and reached GNDU University, Amritsar at 12.45 PM. We had a session at 1.00 PM in University Business School, GNDU University, Amritsar.

Day 1 (25th April, 2018)

The group discussion started at 1.00 PM in the committee Room of UBS. Prof. Richa Mahajan, faculty member of UBS was the co-ordinator of the event, she gave us a warm welcome: All the students of SPMR College were in proper uniform. The session began with an ice-breaker in which we all introduced ourselves and also got to know about them. There were students from BBA; MBA & MBA integrated Courses with whom we interacted. The session was headed by Department representative (DR) Mr. Gurvinder, possessing an impressive personality & made the group discussion very friendly. They helped all of us to express our views on all the topics that were discussed. The topics on which the interaction held were:-

- a) Social Media: - Impact on human behavior and society.
- b) Digital India: - Is India ready for cashless economy?
- c) Make -in- India:-Will this idea make India a manufacturing hub?
- d) Is managerial education necessary to succeed in Business?
- e) Managerial skills learnt from classroom can never match those learnt from experience.

It was an open discussion with 99% of participation of SPMR College; the students had prepared all topics very well. We were able to speak and interact with the students of GNDU. During the session, we all learnt and experienced a lot of new things which boosted our confidence. These kinds of platforms will go a long way in our over-all development & capacity building. Needless to mention that the session was of great knowledge to all of us. The session ended at 3.00 PM.

In the evening, we all were taken to visit various places at Amritsar- Durgiana Temple, Jallianwala Bagh, and Golden Temple. We felt more relaxed after visiting these holy shrines.

Day 2 (26th April, 2018)

The second day of our exposure visit started with a new urge inside all of us. After the breakfast, we all went to GNDU. The University Campus was so huge and the infrastructure was quite mesmerizing.

After that we reached UBS at 1.00 PM to attend cultural exchange event. Discussions were held about different cultures – Punjabi, Dogri & Kashmiri culture. We got to know about their culture & vice-versa. The students of GNDU performed very well at singing, dancing, poetry recitation, guitar playing, bhangra, gidda, shayari etc. They were having great knowledge about their rich culture & were good at almost every activity. They motivated & inspired all of us.

The Cultural Programme ended up at 3.00 PM. After having lunch, we checked out from our hotel at 4.30 PM for Jammu.

To sum up, we must say that this exposure visit was an amazing experience for all of us. This trip brought everyone close to each other. We all gained new experiences. We interacted for the first time with so many people on a platform like this. We want to express our deepest gratitude to our worthy Nodal officer of PMSSS Prof. (Dr) Ajit Angral for providing us this opportunity to interact with the students of one of the best Universities of the Country. We also want to convey our heartfelt thanks to the Principal of our College Prof. (Dr) P.K Sharma, for arranging comfortable boarding and lodging. We are also grateful to Prof. Charandeep Handa who accompanied us and was so supportive. The faculty of GNDU was also very nice & generous & helped us to participate actively.
