NOTICE

It is hereby brought to the notice of all the students of BCA -6th Sem that for their course title Project work/ Dissertation (1BCAPR06)01 they are expected to do six months major project .The objective of the project is to help the student develop the ability to apply theoretical and practical tools / techniques to solve real life problems related to industry, academic institutions and research laboratories. The student is allowed to work on any of the concepts studied in core/elective or skill based elective courses.

The guidelines for project are as follows:

1. The project must be of at least 124 man hours and so certified by the supervisor of the project.
2. The project report must be submitted in consonance in the appropriate format under the guidance of the Supervisor.
3. Project report must be submitted before the prescribed last date.
4. Two copies of the project report and the software CD must be submitted to the external examiner. One copy of the project shall be returned to the student with the signature of external examiner and the other one shall be retained in the library.
5. Candidates are required to make a presentation of their project work during their project evaluation.
6. Students whose projects are graded as unsatisfactory will be given one more chance to undertake another project under the same/another supervisor.
7. Evaluation of the project work will be done by external examiner in presence of the internal examiner and the head of the department.

OUTLINES OF THE PROJECT REPORT:

The project report should be prepared in a format prescribed by the department which should also specify the contents and methods of presentation.

(a) The project Report should consist of two parts:
   a. Documentation; and
   b. Source code
(b) The source-code and the executable code have to be submitted on CD and student must demonstrate working of the software.
(c) The documentation must contain the Flow charts and Data Flow Diagrams.
(d) As far as possible, the Project should be on a real life problem.
