Report on Training in Mutual Funds by BSE Institute Ltd.

Department of Commerce of Govt. SPMR College of Commerce in collaboration with Bombay Stock Exchange Institute Ltd. Organised a Certificate Training Program under the flagship program "Mission youth" (Govt. of J&K). The rationale of the training program was to impart right knowledge and industry skills to the students and makes them job ready for a successful career in the financial sector. BSE Institute Ltd., the largest financial education provider in the world focuses on developing skills for employability by educating and training young talent so that they turn out to be innovation driven entrepreneurs and market leaders.

In this context, Department of Commerce organised a webinar in collaboration with BSE Institute Ltd. on the topic -'Business correspondent-Business facilitator and Mutual Funds' on 18th February 2022 at 3 p.m. The webinar aimed at developing student interest in the proposed training program. Mr. Narinder Abrol, State Head - Skill Project BSE Institute Limited, was the Resource person who shared his valuable inputs with the students of our college with regard to career and job potential in BFSI sector in general and Mutual Fund sector in particular and how to fill the skill gap in the youth and match the skills needed by the job market. 65 students participated in the webinar.

A team from BSE Institute Ltd. Mumbai came for final batch making process on 22nd February 2022. They had an interactive session with the students regarding career prospects in the MF industry. A general test and preliminary interview was conducted with the students on one-to-one basis to assess the knowledge gain in the concerned field.

A 25 day programme for 50 hours was planned for a batch of 50 students of B.Com (UG) Semester 5th. However, 39 students were enrolled and trained under the said program from 1:30 to 3:30 p.m. in Room No. 21 of Administrative Block of the college. The training program commenced on 28th Feb, 2022 and concluded on 29th March, 2022. Training was imparted by the faculty from BSE Institute Ltd having wide industry experience. Learning materials were also provided to the students by the collaborating agency. Lecture discussions, group exercises and assignments, PPTs etc were used to impart training followed by student evaluation and feedback.

Trainer's Name: Mr. Kamal Sharma

Training Outcome: Mutual fund industry provides huge job opportunities and has tremendous scope for making a career in mutual funds. The training program will significantly contribute to the knowledge of students and will give them an edge in the job market. The trained students now will have to obtain a valid AMFI Mutual Fund (Advisors) Module Certificate by passing certification examination from the National Institute of Securities Market (NISM).

The mutual fund industry offers a diverse range of career opportunities for individuals with a multitude of backgrounds. These include sales, marketing, product development, investments, HR, risk and compliance across management levels. Graduates having the AMFI certification can work as Business Development Managers / Relationship Managers / Advisors for the marketing and distribution of the mutual fund schemes.
