
SPMR College celebrates Van Mahotsav

Early Times Report

JAMMU, July 13: Government SPMR College of Commerce today celebrated Van Mahotsav in the college premises.

Commencing the plantation drive, Prof. Ranjeet Singh Jamwal, Principal of the College, planted a Neem plant, which was followed by plantation of other fruit trees and decorative plants by staff members of the college.

The plantation drive was organised by Dr. Deepak Pathania from Department of EVS and due to her motivational request, teaching as well as non teaching staff contributed large number of fruit and ornamental plants.

Observing the Covid 19 SOP, Students of the college also planted trees at their respective places. On the occasion, Principal of the college applauded the efforts of all the staff members who came together, following the Covid-19 Protocols, to celebrate the function of planting trees.

Webinar on Gandhian Philosophy & Ecology organized at Govt. SPMR College

Early Times Report

JAMMU, Oct 13: A webinar on “Gandhian Philosophy and Ecology” was organized by Government SPMR College of Commerce Jammu in collaboration with ECO Club under the aegis of Azadi Ka Amrit Mahotsav. The programme began under the guidance of Prof. Ranjeet Singh Jamwal, Principal of the College.

The webinar began with introduction and welcome address by Prof. Deepshikha Sharma convener, (cultural & literary committee). Dr. Deepika Slathia (Department of Environmental Sciences, University of Jammu) was the resource person for the webinar. Speaking on the occasion, she gave a detailed concept of ecology followed by a detailed understanding how the Gandhian principles support the environmental cause.

She also talked about how Gandhi always emphasized on the importance of conservation of natural resources. She also explained as how the various tenets like non-violence, non-possession of wealth etc can help dealing with the current environmental crisis.

Gandhian idea of “live and let live” supports the environmental ethics of biocentrism. All the queries of the participants were addressed by the speaker.

Prof Archana Koul, HOD English also spoke on the occasion. The proceedings of the webinar were coordinated by Prof. Deepshikha Sharma, Dr. Deepak Pathania, Prof. Rajni Bala, Prof. Harpreet Kaur, Dr. Anu Sharma. The programme was attended by committee members, students from different colleges, and faculty members. The webinar concluded with the formal vote of thanks by Dr. Deepak Pathania.

Press Release

The Eco Club and the Department of EVS, Govt. SPMR College of Commerce, organised a dry workshop on compost formation on 19th March, 2022 as an initiative towards solid waste management. During the workshop, Dr. Deepak Pathania demonstrated the process of preparing compost from dry leaves and cow dung. The dry leaves for the process were collected by Mr. Manmeet Singh, Mr. Maheepal Singh, Mr. Ajay Kotwal, Ms. Kanya Khajuria and other volunteers of the college, from the college premises. Then the dry leaves were mixed with cow dung and sprinkled with water. The entire mixture was covered with a tarpaulin sheet. The compost, thus, produced will be used in the college campus.

Prof. Ranjeet Singh Jamwal, Principal of the college, appreciated the efforts of the committee members and volunteers. He also encouraged the students to follow the practice of preparing compost from biodegradable waste at their homes too.

The college also organised a plantation drive on the occasion to create awareness about green and clean environment. Faculty members who encouraged the students for cleanliness were Prof. Archana Koul, Dr. Sandhya Bharadwaj, Dr. Nazia Rasool and Dr. Roomi Rani. The entire event was managed under the guidance of members of Eco Club- Dr. Jagmeet Kaur, Prof. Fayza, Dr. Sarabjeet Kour Sudan and Dr. Anu Sharma. The event concluded with a formal vote of thanks by Dr. Deepak Pathania, Convener, Eco Club.

GGM Science College organises sensitisation program 'Implementation of Tobacco-Free Educational Institutions'

STATE TIMES NEWS
JAMMU: GGM Science College under the patronage of Principal Dr. Harinder Thakur organised a sensitisation programme on 'Implementation of Tobacco-Free Educational Institutions' (T-FEETI).
The event was attended by the faculty and NSS volunteers of the college.
The resource person, Dr. Nishal Anand, presented a PowerPoint presentation on the importance of tobacco-free educational institutions.
Dr. Nishal Anand said that tobacco is one of the leading causes of death and disability worldwide.
He said that tobacco is one of the leading causes of death and disability worldwide.

The World Bank has reported that 2,500 children in India begin smoking every day. About half of them will continue to smoke in adulthood and half of them are expected to die prematurely due to smoking-related illnesses.
In view of the dire situation, the eradication of tobacco habit would require concerted action involving all stakeholders. Community education regarding tobacco and the health hazards would necessarily be an integral component of such an action plan.
Anti-tobacco education needs to be targeted at both school children and the general public. The youth smoking habit is being tackled by the Government.
The programme was inaugurated by Dr. Nishal Anand. The theme of the programme was 'Tobacco-Free Educational Institutions'.

Vertical Garden inaugurated at Govt SPMR College of Commerce

STATE TIMES NEWS
JAMMU: Govt SPMR and Department of EVN of Government SPMR College of Commerce developed a vertical garden in the college.
