

Govt. Sri Pratap Memorial Rajput College of Commerce, Canal Road, Jammu

Dr Karan Singh, the visionary Sader-e-Riyasat founded the College in the memory of late His Highness Maharaja Pratap Singh of Jammu and Kashmir State and named it **Sri Pratap Memorial Rajput College of Commerce** in 1955. Dr Karan Singh introduced the Commerce stream for the first time in the state. Today Govt. SPMR College is prestigious name in the discipline of Commerce.

At the inception, the College was housed in the Ajab Ghar building behind the new secretariat and at a later stage it was shifted to the then Police Complex near Jogi Gate in 1962 and functioned there till 1978. The State Government took over this College on 30th September 1974, and rechristened as Govt. SPMR College of Commerce, Jammu.

The College has been fortunate from its infancy to have been headed by an array of illustrious Principals for its all round development. The first Principal of this College was a renowned teacher, Professor M.L. Shandilya of Sri Ram College of Commerce, New Delhi. He was at the helm of affairs from June 1955 to 2nd February 1959. There after Professor G.P. Singh took hold of the reins of the College and made it a seat of genuine learning during its formative and development phase.

Of late, this College has brought in numerous changes to keep pace with the changing scenario in business studies and can boast, without exaggeration, to offer the best academic, professional as well as vocational fields in the state. Govt. SPMR College of Commerce, which is now a Constituent College of the Cluster University of Jammu is proud of its alumni who are well known faces in the crowd by their sheer dedication and dived hard work in their respective fields, there by serving as a beacon light for the present generation of youth, whom this College offers a variety of career oriented courses and opportunities.

The College is committed to prepare young managers for facing the inevitable challenge arising from the advent of privatization and global liberalization. It will push its infrastructure and academic development programme at much greater speed to increase the capability and competence of the students so that they can face the ever developing fields of software technology and also build up skills to brave the constant prevalence of multinational companies in our country. The College will equip itself to support the students wanting to excel in their respective fields. In due course of time the College will fashion itself as a core and a center of technological and Business Entrepreneurship. It is the only institution that specializes in the field of Commerce, Management and Information Technology.
